WHAT IS THE SWAG CREW?

CREATE. SHARE. INSPIRE.

Mission: Creatively sharing our passion and inspiring others to share their own.

The SWAG CREW started in 2015 after SWC Anaheim with the idea of making fan-created SWAG (something we all love to get) more available to everyone attending. The SWAG CREW exploded from that idea into a large fan group with over 3,000 members. The group is made up of Star Wars fans from all over the world for one reason; the love of SWAG!

The SWAG CREW Facebook page is a sounding board to help everyone share their passion. Creativity has no limit; it only has different points of view.

Visit www.facebook.com/groups/swcswagcrew to see the latest.

Some Notes About Copyright & Ownership:

SWAG CREW Facebook group is maintained by Brett Isaacs, whom is the defacto owner of all SWAG CREW copyrights.

Star Wars® is a trademark of Lucasfilm Ltd. Derivative images and artworks are the property of their creators under the fair use provision. Any violation of this provision is the responsibility of the item's creators/owners.
